Free Clinic
OF POWHATAN

Building a healthier community, one person at a time.

What a Year!

We are so amazed and grateful for the support received in 2025, it was a year of tremendous growth! From building on our nutrition program to a brand new community event... thank you for walking this mission with us.

We are looking forward to the exciting things to come in 2026.

Coffee at the Clinic

Join us for the next one! April 21st from 8:00-10:00 AM.
Open-house style tours for anyone interested in seeing first-hand and learning about what we do!

Progress Being Made

Medicaid-insured patients have already found a healthcare home at the Free Clinic of Powhatan. Neighbors in Powhatan, Amelia, and Cumberland counties can now access primary care close to home, and we're proud to serve rural Virginians where they are.

As our services grow, construction is underway on our *More Neighbors, More Care* project. Phase one adds a third medical exam room, allowing our team to serve patients more effectively and expand access to care.

Exam Room 3
Updates include floors, new plumbing and more!

Welcome Aboard!

We're excited to welcome new members to the Free Clinic of Powhatan team! Shannon, RN, has joined us as medical coordinator, along with Nicki, RN, and Julie, RN, who volunteers her time providing phlebotomy services.

Julie also serves as the American Heart Association's Community Connector for rural health and is based at our clinic. All three have jumped right in and are excited to support the important work happening at FCP.

New Faces

From left to right: Julie, Nicki and Shannon have all worked hard to learn the ropes and our patients!

2026 Spring Fling

Individual tickets will go on sale soon for our annual gala! This year's theme 'Let Hope Bloom' will feature local floral designers, great auction items and of course support a great cause. This event is the heart of our community, providing funding for FCP and Habitat for Humanity - Powhatan... we hope to see you there!

LET HOPE BLOOM

2026 SPRING FLING

Look Out!

Our Executive Director, Elizabeth, will head to Richmond Friday to join the Virginia Association of Free & Charitable Clinics (VAFCC) for the annual Legislative Day. As a proud member clinic, we plan to meet with state delegates and senators to advocate for the essential healthcare services free and charitable clinics provide to uninsured Virginians. Stay up-to-date on our social media channels to follow our day!

VAFCC Legislative Day 2024

For many of the patients we serve, walking through our doors is just the beginning. Real healthcare happens in the weeks and months that follow. It happens through follow-up visits, referrals, care coordination, and trusted relationships. In our latest blog, we're sharing a behind-the-scenes look at how the Free Clinic of Powhatan supports patients beyond their first visit and why continuity of care makes such a lasting difference.

On the Blog

No matter your role—donor, volunteer, or community supporter—you help make quality care possible across many counties. Your commitment strengthens our mission and we are deeply thankful for your contributions towards building a healthier community, one person at a time.
